2024-2025 CWI Catalog Animal Veterinary Sciences

ANIMAL VETERINARY SCIENCES

Explore More About This Program: https://cwi.edu/program/animal-veterinary-sciences

Program Description

The Animal Veterinary Sciences major has a strong foundational basis in the sciences. The curriculum is designed to prepare students with interests in the following career areas:

- · Agriculture production
- · Animal health
- · Veterinary medicine
- · Veterinary technology
- · Animal behavior
- · Agriculture sustainability
- · Agriculture extension

The program of study will prepare students for a wide range of agricultural occupations, as well as transfer to four-year universities and professional programs. Students are encouraged to contact their advisors and their future transfer institution (if known) for additional information regarding course selection.
