ANIMAL VETERINARY SCIENCES

Explore More About This Program: https://cwi.edu/program/animal-veterinary-sciences

Program Description
The Animal Veterinary Sciences major has a strong foundational basis in the sciences. The curriculum is designed to prepare students with interests in the following career areas:

• Agriculture production
• Animal health
• Veterinary medicine
• Veterinary technology
• Animal behavior
• Agriculture sustainability
• Agriculture extension

The program of study will prepare students for a wide range of agricultural occupations, as well as transfer to four-year universities and professional programs. Students are encouraged to contact their advisors and their future transfer institution (if known) for additional information regarding course selection.

Degrees and Certificates
• Animal Veterinary Sciences, Associate of Science Degree (AS)
