Minimum Credit Hours Required		45

¹ Major requirements are included within the total minimum credit hours required for graduation in this program.

² Students must verify completion of an eligible apprenticeship program in order to receive instructional-based prior learning assessment (PLA) credit for this course. Credits will be granted based upon the verified number of classroom hours that were completed as a part of their apprenticeship program. Students seeking PLA credit must first meet with their Student Success Advisor.

³ Students must verify completion of an eligible apprenticeship program in order to receive experiential-based PLA credit for this course. Credits will be granted based upon the verified number of on-the-job training hours that were completed as a part of their apprenticeship program. Students seeking PLA credit must first meet with their Student Success Advisor.
