Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Process daily accounting transactions, journals, and ledgers; prepare financial statements; perform payroll functions; and manage cash and accrual.
- Develop skill and proficiency using the latest version of QuickBooks. Proficiency leads to certification.
- Understand the legal environment affecting business, business ethics, and social responsibility.
- Learn accounting procedures for managerial decision-making.
- Review legal and regulatory environment of the business organization including taxation, controls, and compliance.
- Prepare to write and speak professionally.
- Develop skill and proficiency using the latest Microsoft Office software including Word, Excel, and Access. Proficiency leads to MOS certification.
- Prepare for the American Institute of Professional Bookkeepers (AIPB) Professional Bookkeeping Certification.
