Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Demonstrate familiarity with major concepts and theories, empirical findings, and/or historical trends in criminal justice.
- Explain case flow and appeal process in the criminal justice system, including Supreme Court cases.
- Demonstrate an understanding or application of the criminal justice system via written communication and participation in discussions about criminal justice system issues.
- Interact with professionals in the criminal justice field through guest speakers, personal interviews, field trips, court observations, ride alongs or job shadows.
- Apply an understanding of criminal justice to real-world problems.
