

FERMENTATION SCIENCE - ACADEMIC CERTIFICATE (AC)

Explore More About This Program: <https://cwi.edu/program/fermentation-science>

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Possess knowledge and understanding of chemistry and microbiology as it relates to fermentation science.
- Use critical thinking and professional skills to explain scientific principles surrounding fermentation science.
- Understand the process of science and evidence-based approaches to address questions and evaluate problems within the fermentation industry.
