## MACHINE TOOL TECHNOLOGY - ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)

Explore More About This Program: https://cwi.edu/program/machine-tool-technology

## **Degree Quick Facts**

- Instructional School: Industry, Engineering, and Trades
- Department: Manufacturing and Welding
- Program Code: MACH.AAS
- Program Type: Career and Technical Education
- · Available Fully Online: No
- · Eligible for Federal Financial Aid: Yes

NOTE: Courses required for this program *may* have an additional fee; more information can be found on the <u>Special Course Fees</u> web page.

## **Degree Requirements**

| Course                                             | Course Title                                       | Min Credits |
|----------------------------------------------------|----------------------------------------------------|-------------|
| General Education Requirements                     |                                                    |             |
| GEM 1 - Written Communication course               |                                                    | 3           |
| GEM 2 - Oral Communication course                  |                                                    | 3           |
| GEM 3 - Mathematical Ways of Knowing course        |                                                    | 3           |
| GEM 6 - Social & Behavioral Ways of Knowing course | <u>e</u>                                           | 3           |
| GE Elective course                                 |                                                    | 3           |
| Major Requirements                                 |                                                    |             |
| MACH 103                                           | Machine Shop Laboratory I                          | 3           |
| MACH 104                                           | Machine Shop Laboratory II                         | 3           |
| MACH 105                                           | Machine Shop Laboratory III                        | 6           |
| MACH 126                                           | Related Blueprint Reading I                        | 2           |
| MACH 127                                           | Related Blueprint Reading II                       | 2           |
| MACH 153                                           | Machine Shop Theory I                              | 2           |
| MACH 154                                           | Machine Shop Theory II                             | 2           |
| MACH 155                                           | Machine Shop Theory III                            | 2           |
| MACH 203                                           | CNC Machining Center Lab                           | 6           |
| MACH 204                                           | CNC Turning Center Lab                             | 6           |
| MACH 210                                           | Fundamentals of Computer-Aided Drafting and Design | 3           |
| MACH 212                                           | Computer-Aided Manufacturing                       | 3           |
| MACH 224                                           | Tool Design for Manufacturing                      | 2           |
| MACH 253                                           | CNC Machining Center Theory                        | 3           |
| MACH 254                                           | CNC Turning Center Theory                          | 3           |
| Minimum Credit Hours Required                      |                                                    | 63          |
