## Program Description

The mission of the Media Arts program is to prepare students to be well-informed media consumers and to be prepared for academic transfer and/or professional careers. The program will give students technical, creative, and collaborative skills, provide students with media ethics and literacy, and help students build professional relationships and professionalism both inside and outside of the classroom.

Completion of this program is designed to result in an Associate of Arts degree in Media Arts as well as meet the general education requirements of all Idaho public universities.
