Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Develop the four language skills: reading, writing, listening, and speaking.
- Be able to communicate effectively at the intermediate level (ACTFL Intermediate-Mid).
- Explain their own cultural perspective and make meaningful comparisons between it and other cultural perspectives (create a sense of empathy).
- Identify and make appropriate use of information sources in both written and spoken discourse in the target language at the intermediate level.
- Use critical thinking skills to compare the similarities and differences between languages and cultures.
- Participate in local and global Spanish speaking communities.
