¹ This general education (GE) course is recommended by the department as the most beneficial GE option for students in this program. **Please note that students may fulfill their GE requirement by completing another course from within the applicable general education category.**

- ² If MATH 170 was completed in order to meet the GEM 3 requirement, student must complete MATH 175 in order to fulfill this major requirement. MATH 170 will not fulfill both the GEM 3 requirement and the major requirement.
- ³ Select the second BIOL, CHEM, or PHYS lecture/laboratory course combination in sequence to compliment the GEM 4 Option taken in the prior semester (refer to the STEM AS: Second BIOL, CHEM, or PHYS Options list below).
- ⁴ This course fulfills the Ethics Reasoning requirement for an associate degree from CWI.
- ⁵ Course must come from a different discipline.
