Campus Tours and Site Visits

The Admissions and Recruitment staff communicates with all audiences; visits high schools, career, and job fairs; and gives presentations to various community groups and constituents. These outreach and community activities are performed by CWI enrollment counselors whose specific job responsibilities focus on assisting prospective students through the college enrollment process.

Additionally, CWI has a campus-visit program for future students. Interested persons are invited to take a guided tour of our facilities and student services. Individual tours can be scheduled at cwi.edu/visit and group tours can be scheduled by contacting enrollment@cwi.edu. Students, friends, and parents are all welcome to attend.

If you are interested in a customized tour or would like to make arrangements to have a member of our team visit your site, please send an email to enrollment@cwi.edu
